I the undersigned [Name] [First name] , belonging to [original Establishment] , asked for the benefit of an access to computer systems in Météo-France, as part of a cooperation with [Service of the Contact in Météo-France] CNRM / GMAP .

I recognise to have made myself acquainted with the charter of use of computer resources of MF, and I pledge my honour that I shall respect its terms.

Besides, I pledge my honour that :

- I shall use access facilities I have been granted only in the strict limits of the agreements between me and Météo-France, and, in particular, I shall not try to access systems or files which would not be necessary to my work as agreed with Météo-France, nor shall I willingly disrupt the information system of Météo-France,
- I shall respect instructions for the systems used,
- I shall not make nor keep copies of files I shall have access to, except by a particular written authorization from my contact in Météo-France,
- I shall not import any file into the computer systems of Météo-France , except by a particular written authorization from my contact in Météo-France,
- I shall not reveal the information I shall be given to access the computer systems of Météo-France.

Failure to conform to these arrangements could lead Météo-France to cancel the access I have been granted and lodge a complaint against me and my original establishment.
