The Dark Side of the Memorandum

1. ALADIN PARTNERS FROM BELGIUM

Luc GERARD :

The face and the hair are so clear that you can't distinguish from the background. We have just rein-forced the glasses. Recently engaged.

Main crimes : still innocent. But probably not for a long time. To be watched over.

2. ALADIN PARTNERS FROM MOROCCO

The four on pictures are usually named "The marocan Daltons brothers".

Radi AJJAJI :

He has invested in a suit and a tie : that is why he has been chosen to co-sign the MoU of ALADIN. Had an affair with Radija. Crimes :

He believes in everithing you say. He still believe in CANARI in ALADIN .

Mehdi EL ABED :

The tallest of the "marocan Daltons brothers". Member of the Impossible Mission Force. Last mission : to go from Casablanca to Sefrou (his birthplace) in less than one night : a success.

Crimes :

Counterfeiting FULLPOS and proposing to change its name into HOMMOSPOS. (in arabic : full = beans, while hommos = peas).

Samir ISSARA :

Less serious than he looks like. The CANADA DRY of MAROC-METEO, the name sounds Japanese, the smile looks Japanese, but his computer is not.

Jaouad BOUTAHAR :

The smallest of the four "marocan Daltons brothers". He does believe he is the smartest.

Crimes : So many that you can't enumerate them : the total number of crimes is 927.

Karam ESSAOUINI :

If the four others are the marocan Daltons brothers, he must be Lucky Luc.

3. ALADIN PARTNERS FROM ROMANIA

Doina BANCIU :

Her nickname is DOANA and she often asks why APUKA has no dog? Everybody knows the answer: Because Victoire has stolen it and gave to his mother in law. Then Mme Marek got almost heart attack and shortly after this escaped from Meteo. Since then Radmila has been crying continuously. And of course DOANA is guilty for all these.

Elena CORDONEANU:

Was subroutine ECORDON named after her? Otherwise she has the following simple answer for the question WHY APUKA IS SO BEAUTIFUL??? Because probably his mother was so beautiful.

Liviu DRAGULANESCU :

Nicknamed : Dracula. Particularly active in the night, when the moon is full. His favourite dishes are : soup and sea food. He always fights with Gabor Radnoti.

Mihaela CAIAN :

Nicknamed: Sepassonj, which means the prettyies woman.
Crimes : the perfect double agent : she tries to discredit Aladin with Arpege highly stretched. That lead her to an interesting discovery : why do romanian women become so fat ? Because they use too much oil in cooking. And also a world record can be attached to her name : she could make JDG work one continuous, endless week on putting her PhD thesis in final shape. Good JOB!!!

Carmen DUTESCU :

Unfortunately she missed the Spanish participants of ALADIN.

Victoire Ion PESCARU : (VIP)

What can be a VIP's main crime? Especially, if his first name is Victoire?? But as Romanian competitors can be measured only in terms of world records, VIP also has one: he has highest relative density of limited are models/computer megaflops: he's collected 4 LAMS of 3 Continents on his PC 286.

Vladimir IVANOVICI :

Boss of the Romanian delegation. Even the VIP is under his rigorous hands.

Main crime: as a boss still could'nt educate the team's naughtyboy, Livius.

4. ALADIN PARTNERS FROM POLAND

Adam DZIEDZIC :

The seducer (?)

Crimes : still speaks french while everybody speaks english.

Marek JERZINSKY :

Crime: would restart the hundred years war to decide which model is better. Only the dirtiest gossips tell that he is the husband of Mme Marek.

5. ALADIN PARTNERS FROM SPAIN

Javier CALVO SANCHEZ and Jacobo ORBE ZALBA, Zalba, the Spanish :

Spies, obviously. They started to work in HIRLAM, then divorced from HIRLAM and married ALADIN. Then came to Toulouse to defend again HIRLAM for the COMPARE. It's a kind of bigamyie.

6. ALADIN PARTNERS FROM CROATIA

Nedjeljka BRZOVIC :

Thanks God, she has a nickname easier to pronounce : BEBA.

Language spoken : english, german, croatian and grib.

Crimes : broke ALADIN into small pieces by cutting into vertical slices.

Dijana KLARIC :

Drinks wine without guilt. Lady D., perhaps the only one capable to compete with Sepassonj in keeping so many male human beings in multitask mode working under her hands.

7. ALADIN PARTNERS FROM CZECH REPUBLIC

Jan MACOUN :

He said he wont come back to Toulouse unless ALADIN is switched to MATSUNO scheme. One should know, every scheme originates from Bohemia.

Radmila BUBNOVA :

Nickname: princess Jasmina, the princess of ALADIN the magic lamp. The most deeply infiltrated one inside the french team. Crimes : leaves pets inside the code. Poisoned the water of ALADIN land with nonhydrostatism. That's why Lubos Spacek never ever drank water.

Martin JANOUSEK :

Started in Aladin as a "painter". Not as gifted as Chagall. So he was condemned to write the semi-lagrangian scheme.

MARJAN SANDEV :

He is the person who learnt plenty of slavish langauages in order to be able to speak with Adam Dziedzic.

Filip VANA :

The best taekwondo expert in ALADIN, be careful if he gets angry. Dont awaken the sleeping lion!

Yan ZACPALEK :

The devil of the white slopes, he is the only one who can compete with Mihail Andreevics Bombeugene Tolstykh, the fifth order compact Russian. Of course not in every respect.

Miroslav SKUTHAN :

The CZECH Rushdie: The co-author of the 10 rules of a Slave of MARTA. For this reason Ajatollah Apuka would be happy to execute the verdict on him.

Lubos SPACEK :

The first ALADIN member whose name appeared in CPG, national hero in beer barrel rolling! When all czech and french beer sources dried out, he emigrated to Canada as refugee.

8. ALADIN Visitors FROM PORTUGAL

Portugal is for the time being only spying ALADIN community.

Main characteristic of Portuguese people : they can't stand french

cooking more than one week ; then they rush into a Portuguese restaurant. Immediately renamed ALADIN: Alimentation Dynamic.

Cristina Paula Felisbert MADEIRA :

Unable to pronounce properly the name SODEXHO ; just says : SODESCO.

Specialist in jokes. The favourite victims are Liviu Dragulanescu, Ryad El Khatib, and Frenando Prates. She is now joking with Aladin : the whole Portugal may be the next victim !

Fernando Manuel Ramos PRATES :

Always loses everything that is important : keys, wallet, etc. Has even lost his SODESCO card few days after his arrival. Needs Radmila BUBNOVA to survive in the ALADIN non-hydrostatic joke.

9. ALADIN PARTNERS FROM SLOVAKIA

Zuzana PISUTOVA :

She has only pseudo-crimes, because of working on verification pseudo-TEMPS.

Oldrich SPANIEL :

Nickname : would be too trivial.

Crime: hae always says, everything is possible, but then why doesnt run aladin on a pocket calculator?

Marta JANISKOVA :

Addicted to dentist visits.

Crimes : wants to be the adjoint of the boss in place of the boss adjoint. Major crime: keeping slaves.

Vlado PASTIRCAK :

Boss of Marta. Also responsible for all Marta's crimes according to the theorem of transitivity of crimes. To be Marta's boss is a crime itself, just ask Jean-Noël Thepaut (nickname : Jeno-Karatsoni)

10. ALADIN PARTNERS FROM FRANCE

Jean-François GELEYN :

The Boss, "ZEUS THE God".

Crimes : what crimes ? THE God is right, HE doesn't do any crime.

Alain JOLY :

Crime : Leader of the deserteur French triumvirath. What is more, left behind EGGX.

Sylvie MALARDEL :

God-mother of Aladin. Gave the most unpronounceable name to the model. Several people were killed in trying to pronounce ALADIN correctly.

Major Crime: broke the law that a god-mother must be faithful to god-son forever. Simply deserted.

Veronique DUCROQ:

The first deserteur. Others just followed her. Maybe they thought it's the sinking Titanic.

Joel HUFFMAN :

"Corto Maltese". Since his appearance in ALADIN team many people think ALADIN's magic lamp is one of Hoffman's tales.

Gwenaelle HELLO :

Who really relied on her name and said hello to the ALADIN team. But as a crime it was soon followed by good bye. She had the longest hair at METEO when she started with ALADIN, but loosing her job at ALADIN she cut her hair as well.

Ryad EL KHATIB :

Nicknamed : "Misterryad", or "The devil of the tennis court"

Crime: even himself doesnt believe that fullpos will ever be free of bugs.

He stubbornly tries to solve the impossibility problem: to laugh more charming than Charlotte.

Eric BAZILE :

Nicknamed : "Bazilou", "Retic bazile".

Loves girls and limited area models. He entered early the HIRLAM cooperation. Then he managed to enter ALADIN thanks to the RETIC. Anyway, he is still completely unknown in the ALADIN team. He has a long time to work before he can retire in Toulon (to watch girls on the sea-shore).

Jean-Francois ESTRADE :

"JEF", the little Jean-Francois. But he is trying to grow up. Is

that a crime, who knows?

Emmanuel LEGRAND :

Nickname: l'X des Cavernes.

Presently French controller of the DREAMTEAM. Therefore he can neither have any crimes. Otherwise he would be degraded to Manu Le Petit.

Jean-Daniel GRIL :

Shortly Just Jeandani.

Crimes? Have you ever launched Morgane under NOSVEE? It says "IT'S GO!!!" But sometimes IT'S NOT GO!

Patrick LEMOIGNE : "Patriiiiiiiiiick !!"

First replacement of the deserteurs. He could replace Sylvie entirely especially on the football ground.

Patricia POTTIER :

"La super-secretaire", la "Nounou".

Crime: left us temporarily, at least we hope so. Her favourite dish is a multicolour cheese.

ViJay SARAVANE :

Crime : has finally joined the enemy. But sometimes enemies become friends later on.

Denis PARADIS :

The documentalist of Aladin. Like documentation, you hear about, but you never see !

Pauline BIECHELER :

The very first one to be tested on ALADIN-FRANCE : that way she realized the meaning if vivisection. Actually she is NOT a deserteur : she ESCAPED.

11. ALADIN PARTNERS FROM BULGARIA

Lora GAYTANDJIEVA :

Who tried to analyse the analyses. After the Mundial'94 she's the first Bulgarian allowed to enter the gates of METEO. But she had to prove before that she has no family relation with Stoichkov.

Andrey BOGATCHEV :

Nicknamed : Gorbatchev.

But believe me, he would never have introduced the prohibition.

Valeri SPIRIDONOV :

Should an atomic bomb explodes beside him, only his hair would move.

12. ALADIN PARTNERS FROM HUNGARY

Istvan IHASZ :

Most people know only by name APUKA.
