The joint 28<sup>th</sup> ALADIN Wk & HIRLAM ASM 2018 will be held on the premises of Météo-France in Toulouse during the third week of April 2018 :

- 16-19 April 2018 : joint Wk& ASM,
- 20 April 2018 : HMG/CSSI meeting. Some side meetings will also take place during that week, as well as the usual ALADIN LTM meeting.

This organisation of the sessions within the week may have to be adapted as we will compete for the label "ESOF 2018 - TOULOUSE, EUROPEAN CITY OF SCIENCE", taking opportunity of Toulouse organizing **ESOF** (EuroScience Open Forum) 2018 [1].

**ESOF 2018**  
EUROSCIENCE OPEN FORUM  
TOULOUSE

**Notes :**

[1] ESOF (EuroScience Open Forum) is the largest interdisciplinary science meeting in Europe. It is dedicated to scientific research and innovation and offers a unique framework for interaction and debate for scientists, innovators, policy makers, business people and the general public.
